Robin Wohlleben Joins RC Cabinets

Certified Kitchen Designer (CKD) Robin J. Wohlleben has joined RC Cabinets as Business Development Manager. RC is proud to welcome her to a team of seasoned designers and sales professionals providing some of the finest cabinets and built-in furniture available. Robin brings a wealth of experience to the RC family.

Her background in cabinets and professional kitchen design spans more than two decades. Wohlleben began in the Washington D.C. area with Miller Building Supply/The Kitchen Center designing lines such as Quaker Maid and Heritage Cabinetry. After relocating to the Phoenix area Wohlleben was a multi-million dollar producer for Canac Kitchens selling to homebuilders and commercial developers such as Toll Brothers and Optima. Most recently she managed design and sales for multiple builder accounts at a Phoenix area designer showroom serving new construction builders.

Robin is active in the local and national chapters of NKBA as the V.P. of Professional Development in Phoenix, as well as developing relationships in the Interior Design (ASID) and Remodeling Contractors (NARI) associations.

Robin Wohlleben can be reached at RC Cabinets (480) 730-9900 or by email at rwohlleben@rccabinets.com
